MET 3601 Syntax Problem #1

Please do your work in the syntax-problems folder on the JupyterHub

https://fit24f-1.ees220002.projects.jetstream-cloud.org/

Objectives
1. Practice Writing Python code
2. Practice Running Python code
3. Use of simple Python I/O

Due by the beginning of the next class.

Problem
1. Write a Python program that will print the following items to standard output

• Full Name
• Class at Florida Tech (Sophomore, Junior, Senior)
• Hometown
• Favorite Color
• Favorite Book
• Favorite Author

Notes:
• Make sure you document the source code (e.g., comment block / comments throughout code)
• Make the output informative so that anyone running your program understands what is being produced without seeing the assignment.
• Name the program (notebook)

      syntax1_lastname.ipynb

where 'lastname' is your lastname 😊
